

ASPECT CONSULTING, INC.

"IT'S ALL ABOUT THE DATA"

PROVIDING EXPERT IT CONSULTING SERVICES

Our motto, **"it's all about the data"** captures the founding goal of our business: provide innovative data-driven solutions to create a positive impact on our client's bottom-line profit. After decades of service specializing in technical staffing, custom software solutions, and database management, we've stayed true to our founding goal, successfully **helping businesses utilize and protect their data.**

As a WBENC-certified woman-owned business, Aspect is an effective partner for companies interested in fostering diversity in their vendor/supplier programs.
